PATENT

REMARKS

In the Notice of Non-Compliant Amendment dated 03/21/2008, the prior amendment filed on 3/17/2008 was asserted to be non-compliant because claim 25 should not have been underlined. This was an inadvertent typographical error. Accordingly, the Applicants have submitted above a new listing of the claims in which the inadvertent underlining of claim 25 has been corrected. The Applicants respectfully submit that they have complied with the Notice and respectfully request consideration of the amendments and arguments presented in the March 17, 2008 amendment document.
